<p><u>X</u> During the filing of this Response to Office Action, I found an error on the filing receipt. The filing receipt incorrectly states that 24 claims were filed, 2 being independent claims (instead of the 28 claims actually filed, 4 being independent claims). The Notice to File Missing Parts also incorrectly stated that we owed a fee for filing 24 claims (2 being independent). We paid the amount stated on the Notice to File Missing Parts not realizing that it was incorrect. In order to rectify this error, I listed the number of claims in which we actually paid for above so that we could pay for the additional claims we were not charged for and should have previously paid.</p> <p><u>X</u> A check in the amount of \$414.00 is enclosed.</p> <p><u>X</u> The commissioner is hereby authorized to charge payment of the following fees associated with this communication or credit any overpayment to Deposit Account No. 50-1141, pertaining to 1) any filing fees under 37 CFR 1.16 for the presentation of extra claims; 2) any patent application processing fees under 37 CFR 1.17.</p> <p><u>X</u> Any additional extension of time required for the timely submission of this paper, the fees for which have not been previously paid, is hereby petitioned for and requested.</p> <p>June 24, 2003 Date</p> <p>James P.
